Make unlimited calls for only \$1.97/mo per line on your CURRENT business PBX/Phone system!!

Your Ultimate Gateway to Skype...

## Server | VS100

### Certified Server for VoSKY Exchange

The VoSKY Server VS100 is a cost-effective, enterprise-grade server for the VoSKY Exchange PBX-to-Skype gateway. Designed specifically for VoSKY Exchange, the VS100 ensures optimal performance and reliability for mission critical Skype for business applications.

The VoSKY Server VS100 has been fully certified to work with all VoSKY Exchange models (9000, 9040, 9080, 9140, 9180). Utilizing the latest Intel dual-core processor technology, and energy-efficient DDR2 memory, the system is capable of running with lower power consumption without sacrificing power.

### Technical Specifications
